

Paragon

WALL LIGHT

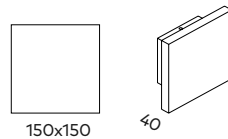

The square as a shape is ubiquitous in our everyday lives. Its simplicity and omnipresence blends effortlessly into built environments. The Paragon Wall Light is minimalism taken to its full extent – a simple square form paired with soft indirect back lighting. The effect is of a semi floating square of light – its effortless simplicity represents the functional minimalism we strive for.

- A minimalist square design that emits a soft glow of backlighting
- Utilise the Paragon Wall Light in applications requiring a minimal shape that blends into any design application, such as passage ways and living spaces
- Designed to be as compact as possible with a depth of 40mm

Above: Soft indirect illumination
Top Right: Residential application
Right: Dot-free illumination

Measurements (mm)

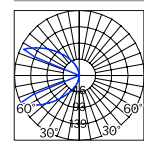

Absolute Luminous Flux

15W (400mA)
360lm (at 3000K)

Beam

30° (W)

Photometrics

Finishes

UV Textured Black
UV Textured White

General Specifications

Material | Powder Coated Aluminium
IP | 65
Warranty | 3 Years

LED

Colour Temp | 3000K
CRI | 80+
Efficacy | Up to 21lm/w
Colour Deviation | SDCM≤3
Lifetime | 59,000h L70

Driver

Power Factor | >0.90
240V Built-in PC Dimmable Driver
DALI Driver must be remote.
Dimming | LED Phase-Cut Dim (PC)
DALI Dim Optional
