

Moretti Luce è lieta di presentarti la nuova linea per interni "The Charming Line". Quest'anno abbiamo voluto sorprendervi portando sul mercato un nuovo modo di concepire il design di interni, spingendoci verso un'ideologia e concept del prodotto diversa. Con questo catalogo abbiamo curato nei minimi dettagli tutti gli aspetti fondamentali per rendere "The Charming Line" unica nel suo genere. Le varie Famiglie sono state concepite per essere adattate ad ambienti moderni ma allo stesso tempo rétro creando così un range di scelta differente ed elevato. Il lavoro di mesi ha portato alla realizzazione di questa magnifica linea che speriamo possa stupirti in meglio poiché noi di Moretti luce teniamo a te proprio come a tutti quei valori che possano aiutare il nostro prodotto a farti sentire realmente a casa.

Moretti Luce is pleased to introduce a new line of products for indoor use called: "The Charming Line". This year we wanted to amaze you introducing onto the market a new way of understanding interior design, pushing our way towards a different ideology and product concept. For this catalogue we have gone into the fine detail of all fundamental aspects to make "The Charming Line" unique in its essence. The various product families have been created to be adapted into modern environments but also suitable for a retrò environment thus creating a range different and of high class. The work of various months has given as a result this marvellous line which we hope will astonish you at its best, this because we at Moretti Luce have great consideration of you as well as all the values which will help our products make you feel really "at home"!

Tulip

Lo stile floreale, ricreato da un design semplice e pulito, permette a Tulip di aggiungere un nota di gusto a ciò che rende confortevole la vita di tutti i giorni: la tua dimora.

The Floral style recreated from a simple and pure design allows Tulip to add a note of taste and comfort to your daily life, to your home.
